

Throughout her twenty five years of working on behalf of those with disabilities, Gina has not only become a trusted and valued employee by her supervisors, but a mentor to her coworkers and a friend to the people she serves. While her path started at home with her son Steven, it quickly extended to others in the community who were lacking the help and support they needed to thrive in their everyday lives. The spirit and generosity she brings to her work is admirable and sets a fine example to others who dedicate their lives to advancing that same spirit of kindness.

I congratulate Gina for receiving this award and for her outstanding commitment and leadership on behalf of those with disabilities. I wish you all the best for continued success in the future.

Mr. GERLACH. Mr. Speaker, I rise today to congratulate Adele K. Schaeffer on the occasion of being honored with The Wistar Award for her compassion, integrity, generosity, commitment and vision in service to The Wistar Institute and the community at large.

Because of her selfless dedication of time and energy to a myriad of boards and committees, Adele Schaeffer has been called the consummate civic leader. #### EARTHQUAKE IN TURKEY

#### HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2011*

Mr. PASCRELL. Mr. Speaker, I rise today to express my deepest condolences to the people of Turkey who are suffering in the aftermath of the devastating earthquake that struck on Sunday, October 23, 2011.

A deadly 7.2 magnitude earthquake struck the eastern region of Turkey on Sunday, 12

miles from the city of Van and the town of Erzurum. Aftershocks have continued to impact the region, making initial assessments and relief efforts difficult.

Over 1000 buildings have sustained damage throughout the region, including homes, businesses, hospitals, cultural institutions, and schools. With a death toll in the hundreds and growing, and more than one thousand people injured, rescue workers continue to work diligently to find survivors.

In the face of such destruction there has been tremendous bravery, and I applaud the rescue workers who are risking their own safety to ensure that every survivor is found. There are currently 2,400 rescue workers involved in the efforts along with 680 medics, 12 rescue dogs and 108 ambulances, according to reports. Aid workers have congregated in the region to provide much needed food, shelter, and medical attention.

My thoughts and prayers are with those touched by Sunday's devastation, especially those who have lost family members and friends. Our hearts and minds must also be with Turkish Americans who are currently attempting to reach out to people in the region. Homes and churches can be rebuilt, but we can never replace loved ones.

The strength and resilience of the Turkish people is evident, and I know that in the wake of this great tragedy they will recover and rebuild.

Mr. Speaker, the United States must stand with Turkey during this challenging time, as we extend our deepest sympathies to those affected by the earthquake.

#### CONGRATULATING OHIO STATE UNIVERSITY'S "SCRIPT OHIO" ON ITS 75TH ANNIVERSARY

#### HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2011*

Mr. STIVERS. Mr. Speaker, I rise today to congratulate the Ohio State University's "Script Ohio" on its 75th anniversary. Script Ohio is a band formation tradition that has played a major role in football game days at Ohio State throughout the years.

In October of 1936, the OSU Marching Band marched into its first Script Ohio, a formation where the cursive word "Ohio" is spelled out by the members of the band, with the letter "I" dotted by the sousaphone player. The inspiration for this famous band formation came from the band director at the time, Eugene Weigel, and band member, Ted Boehm. 75 years after its first OSU appearance, the tradition continues to be an important part of every home football game.

As graduate of the Ohio State University, I take great pride in the traditions of my alma mater. Ohio State Football is definitely one of those traditions—and Script Ohio is certainly part of that tradition. Football games would not be the same without Script Ohio, and I offer my congratulations on its 75 years. I look forward to seeing Script Ohio march in the Horseshoe for many years to come.

#### RECOGNIZING DALLAS AREA BLUE RIBBON SCHOOLS

#### HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2011*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to recognize four magnet schools in my district of Dallas, Texas which have been identified as Blue Ribbon schools. These four Dallas Independent School District, ISD, schools are the Environmental Science Academy, the School of Science and Engineering Magnet High School, the Rosie M. Collins Sorrells School of Education and the Social Services Magnet High School and Irma Lerma Rangel Young Women's Leadership School.

Being identified as a Blue Ribbon school means you are one of the best in the Country and I am proud four of these gems are located within my Congressional District. The Blue Ribbon Schools Program honors public and private elementary, middle, and high schools that are either high performing or have improved student achievement to high levels, especially among disadvantaged students. The program is part of a larger Department of Education effort to identify and disseminate knowledge about best school leadership and teaching practices.

Mr. Speaker, the students in each of these four schools are our best and our brightest, and with encouragement and support from their principals and teachers, these students are achieving remarkable success. Because of the high quality education the students in the Dallas Independent School District and other schools like it are receiving, they can have the opportunity to live the American dream—to do anything they want to do, to go on to a great college or university of their choice, and to pursue any career path that sparks their interest.

Mr. Speaker, these schools help us out-educate, out-innovate, and out-build the rest of the world. We must identify ways to help improve schools like these that provide educational excellence to my community. We must not waver in our commitment to our children, their children, and the future of this country.

#### WELCOMING AND HONORING THE VETERANS OF THE OCTOBER 25, 2011 NEWTON FREEDOM FLIGHT

#### HON. DAVID LOEBSACK

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2011*

Mr. LOEBSACK. Mr. Speaker, today, over 160 Iowa veterans from the World War II, Korean, and Vietnam Wars will travel to our nation's capital to visit the monuments that were built in their honor by a grateful nation. For many of these veterans, today will be the first time they will visit the capital and the first time that they will see their monuments.

On Sunday, they were given a warm send-off by their neighbors and friends from Newton and throughout Jasper County. More than 800 Iowans gathered to give them the recognition they deserve but, for far too many of these heroes, was never received. When they arrive in
